* Ask your server about menu items that are cooked to order or served raw. Consuming raw or undercooked meats, poultry, seafood, shellfish, or eggs may increase your risk of foodborne illness. 2,000 calories a day used for general nutritional advice, but calorie needs vary. Additional nutritional information available upon request. Because our kitchen uses shared cooking and prep areas, we can't guarantee any menu item is completely allergen-free. Allergen information is available upon request.
